# ...As Time Goes By at Central High...

# CONTENTS

## Classes . . .

All the little pieces of knowledge are cemented together with time and study. This past year we have tried to make the foundation for life a little more solid.

## Athletics . . .

The word comes from the Greek, meaning "to contend for a prize." As we participated in the various sports during the year, our prize was not just the elation of victory or the disappointment of defeat, but the experience of good sportsmanship and fellowship.

## Faculty . . .

As another year commenced, the teachers were always ready and willing to take the time to give advice or to help in any way they could. They were friends, who helped to direct the course of our lives along progressive and righteous paths.

## Seniors . . .

The gathering under the clock: the cramming for exams: the teachers and the buildings: the assemblies: and all the school activities —these things are now only wonderful memories to the seniors. But they are not forgotten and they are looking forward to the future.

## Underclassmen . . .

In these earlier years, we all idolized the seniors and tried to be more like them. Now, as the wonderful high school years end for many, the underclassmen are the ones to be envied.

**Those First Days of School in September:** are back with us again for what seems like ages, but it will all zoom by; just watch . . .

**As the hands** of the cloek revolve, bells ring, doors open, and eager feet climb the steps that lead into school, toward a deeper understanding, and an enriched appreeiation of life.

This "Old Schoolhouse" has been the learnin' place of many generations of South Bend Students. The wearing down of these steps has coincided with the growing up of the generations of students whose feet have climbed them.

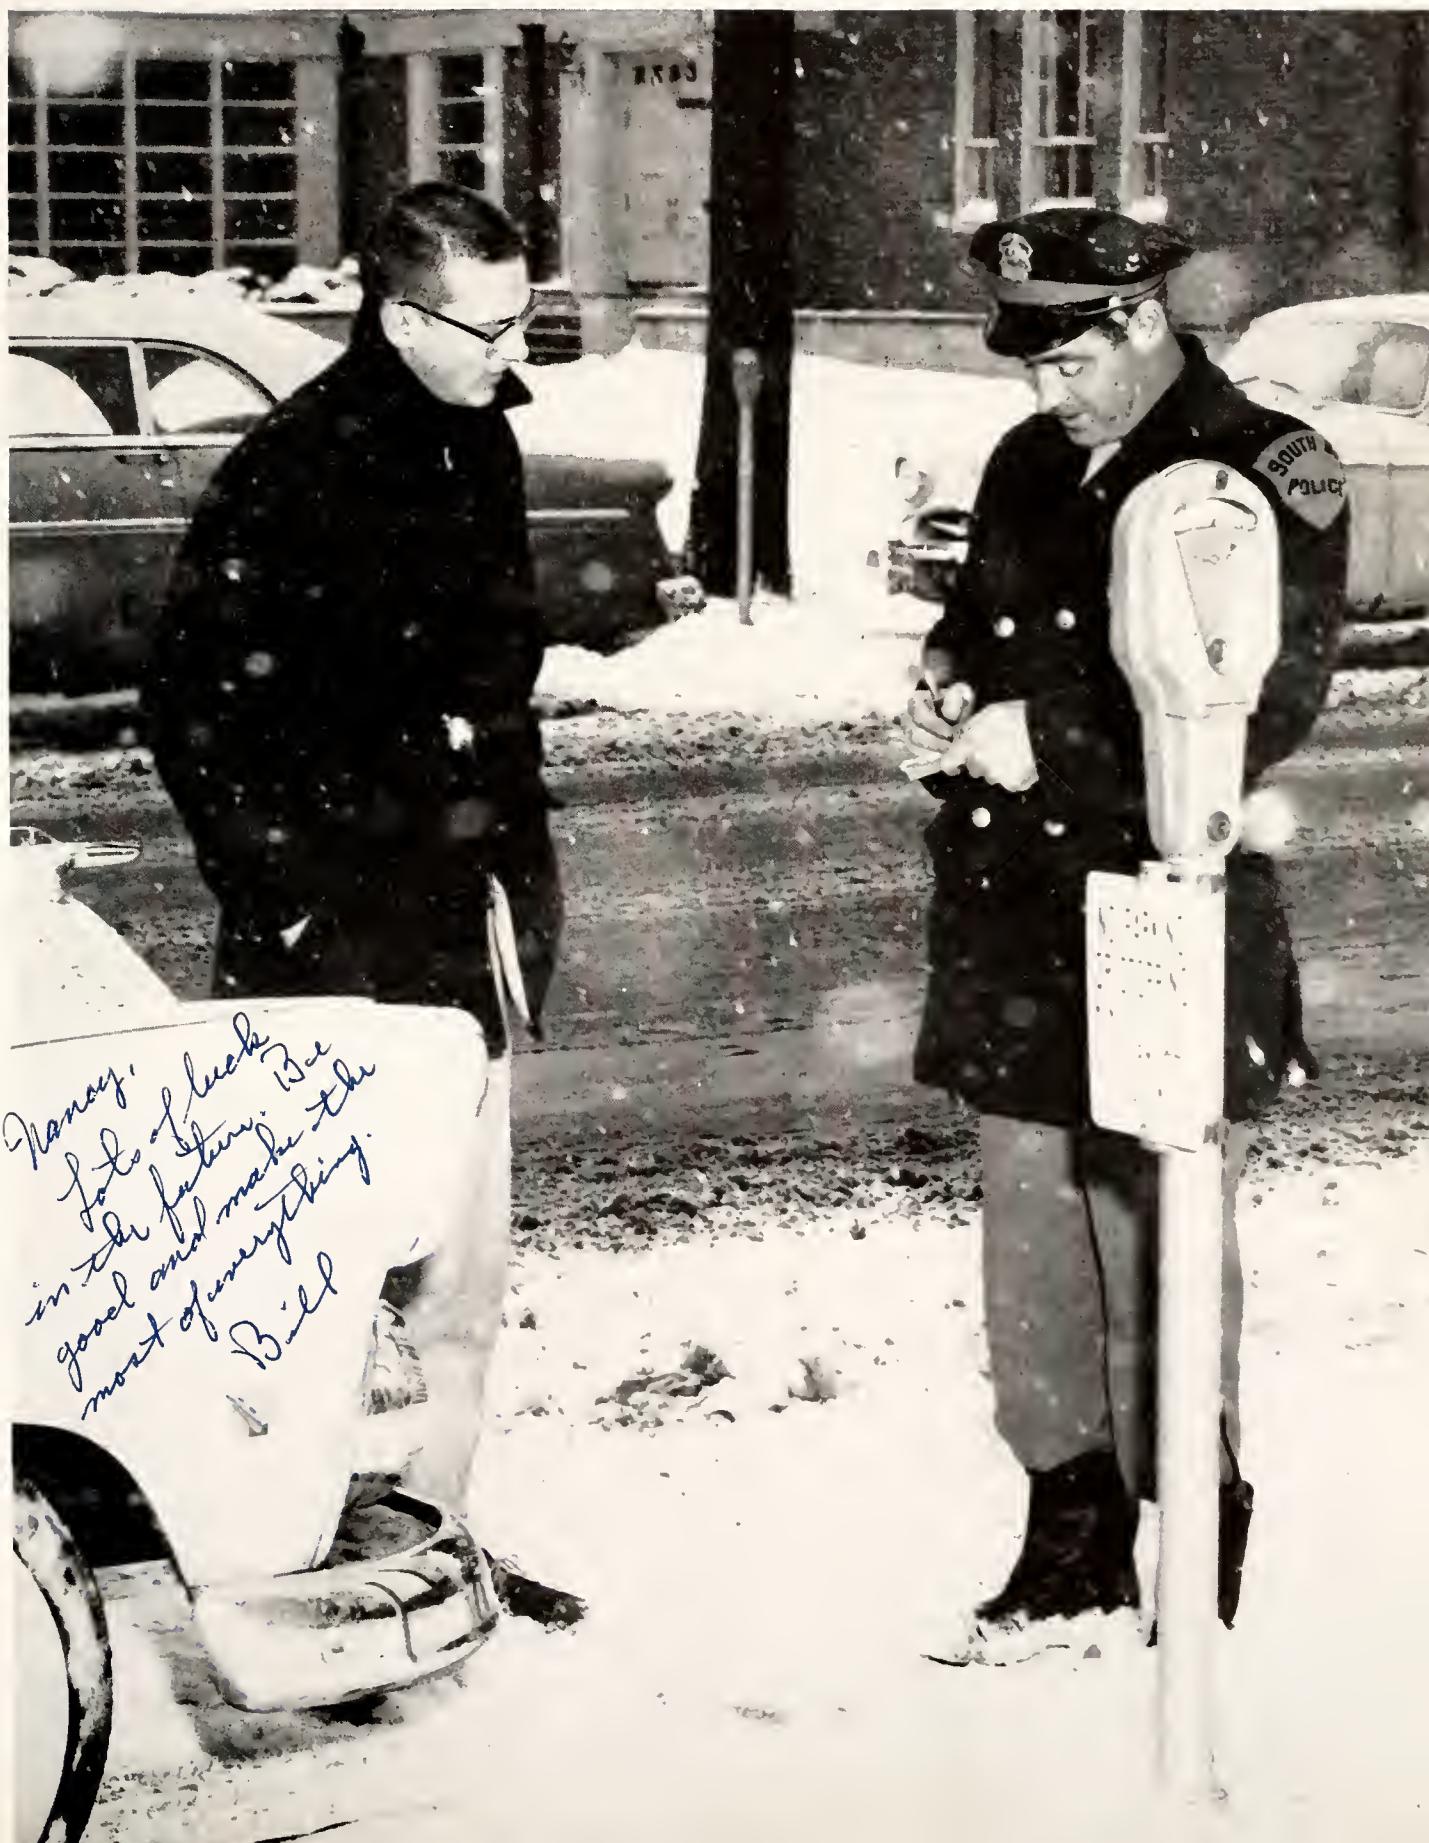

**Not Much Time** will go by before the rest of the "green" Frosh learn that they're being hoodwinked into taking a ride on the elevator by such crafty Seniors as Tony McCarthy and John Coble. Freshman Caroline Horak is falling for an old Central gag.

**Time Is Going By:** 3:19½ A. M. Bill Atherton had better get wings on his feet if he expects to be in home room on time! Time, or the tardy bell, waits for no one.

Time Has Gone By, and so have the Police. Now, Bill, you know better than that, don't you? You have to come extra early to park that buggy of yours in our limited spaces!

**Old Man Winter's Come** Brr, it's cold! The kids seem to think the feeble fire will warm their tootsies before going off for another attempt at staying up on the skates. Front row: Norma Brown, Jan Gobel, Pat Cunningham; middle: Shirley Neizgodski. Back row: Karen Hartman, Judy Hess, Louise Rague, Marlene Lambert, Elaine Markis.

**Basketball Time** and we're all backing our Bears for another win. It's the half-time at the Central-Riley game, and everyone is scurrying out to nibble some of the available goodies and lubricate their parched throats. Cheering is so strenuous, you know!

**The time:** January 29, 1956. The occasion: the All-City Senior Prom held at the Indiana Club. With Christmas behind us, we look forward to the Spring season ahead. The All-City Prom is the first of many gay affairs of the new semester.

# There's Time For Larnin' Too ...

Studying in a cozy corner is Lee Van Tornhout's idea of a perfect evening at home. Marvelous results, too!

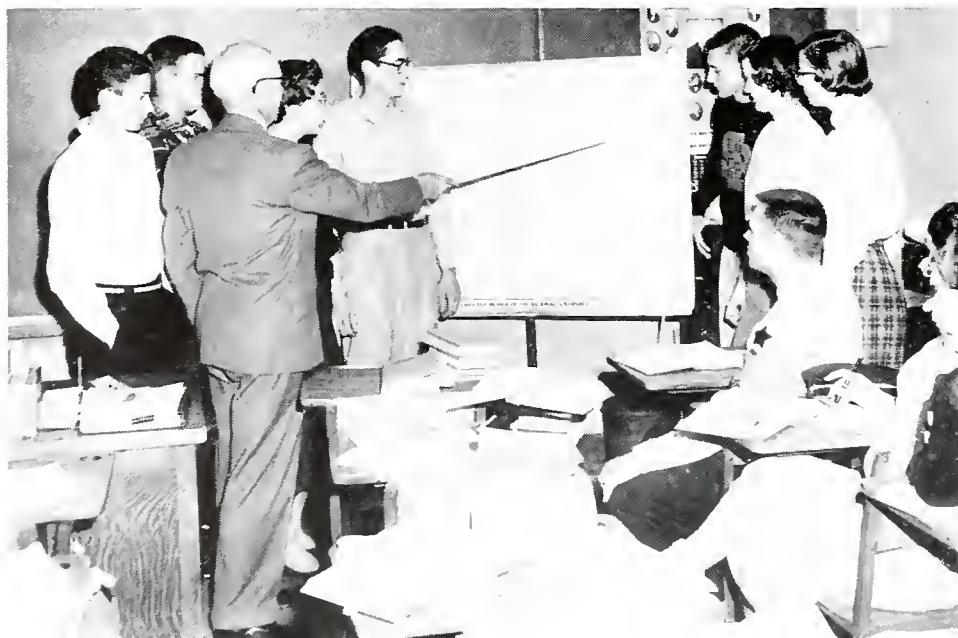

In Spanish class James Cobb points out some of the pronunciation symbols to Gail Miller.

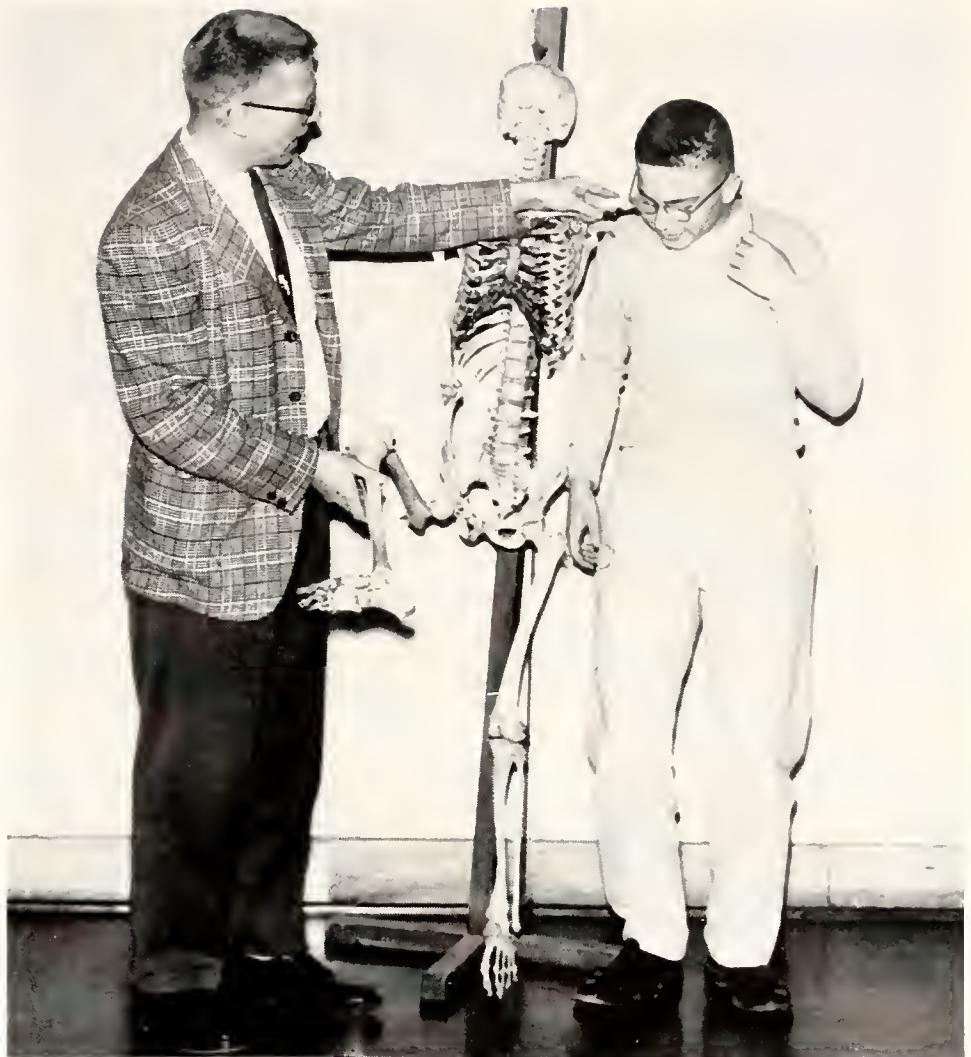

Perhaps we have two future architects in our midst. Well, at least Ted Wynne and Jon Swartzbaugh are working at it in Mechanical Drawing.

Mr. Kuhn is getting the facts about the working of political machinery from his class in Government.

Mr. Hoyer seems to want "Oscar" to join in the conversation in the Biology class. Dennis Harden is coaxing him, too.

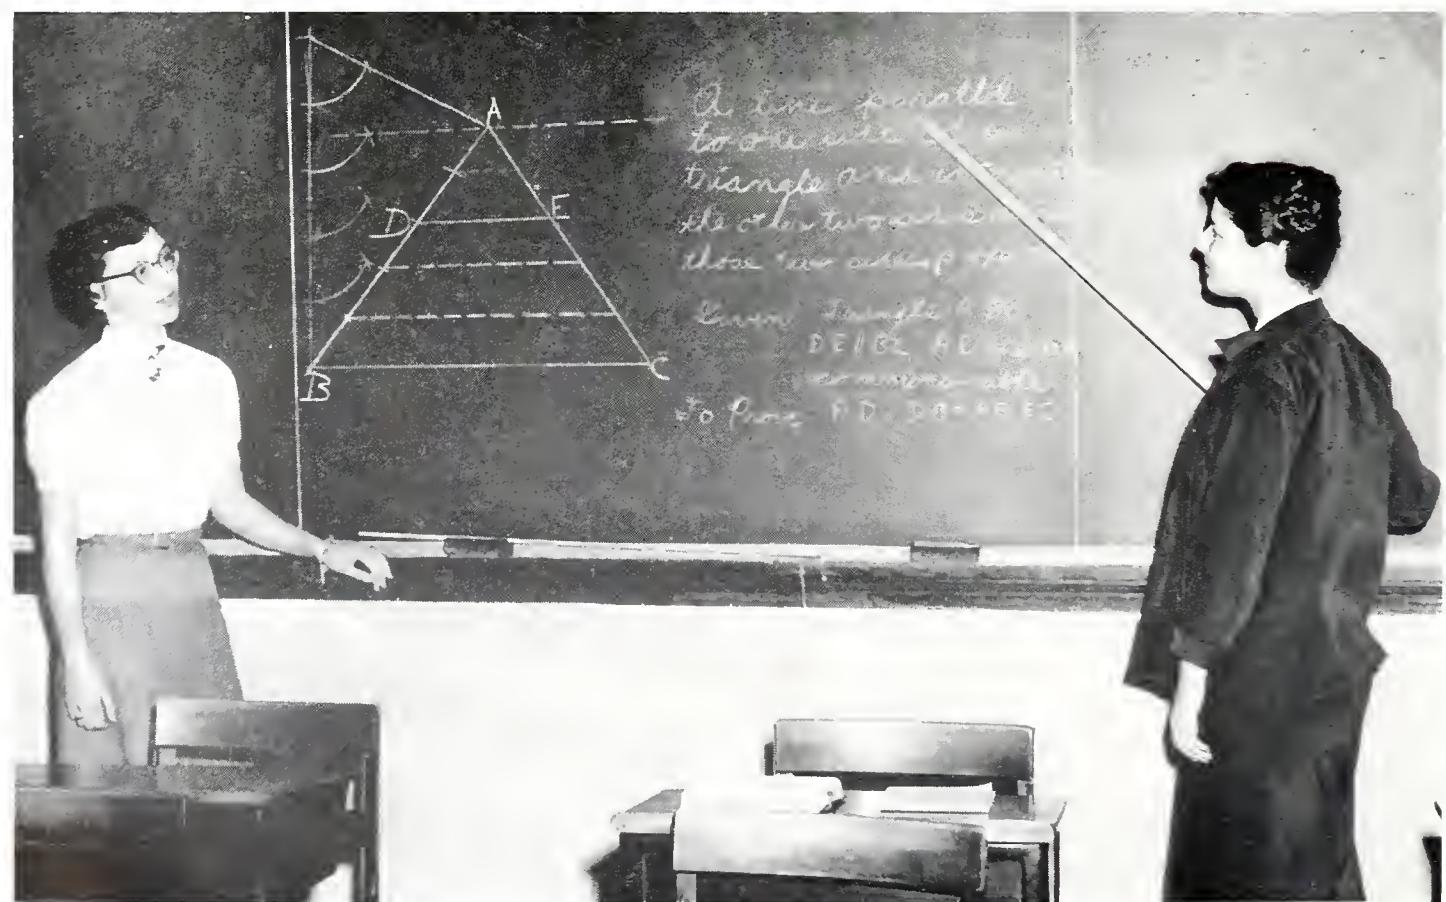

In Mrs. Butcher's Art class the line is the thing, no matter whether it's horses or a pretty girl.

Shorthand notes look  
Greek don't they? It's  
really the secretary's way  
of writing "Dear Sir"!

Geometry presents its  
problems. Now kids, see  
if it's possible to trisect an  
angle. Impossible?

Our new chem lab may be in danger if someone gets his hands on the wrong acids.

Shall I be a teacher, chemist, or businessman? Mrs. Peterson is helping these students with their future careers.

Let's see those muscles being used, boys: there may be a future All-American among you!

"You can hardly find these any more!" It's an old English pub model that George Petit made for Miss Bergan's Lit Class.

Analyzing the make-up of the *Trib* really gets down to brass tacks for Mr. Cassidy's budding journalists.

Future homemakers are learning a few of their duties from Mrs. Shaw.

George Petit has been keeping Central's halls decorated with his posters and is now using his talents for modern art.

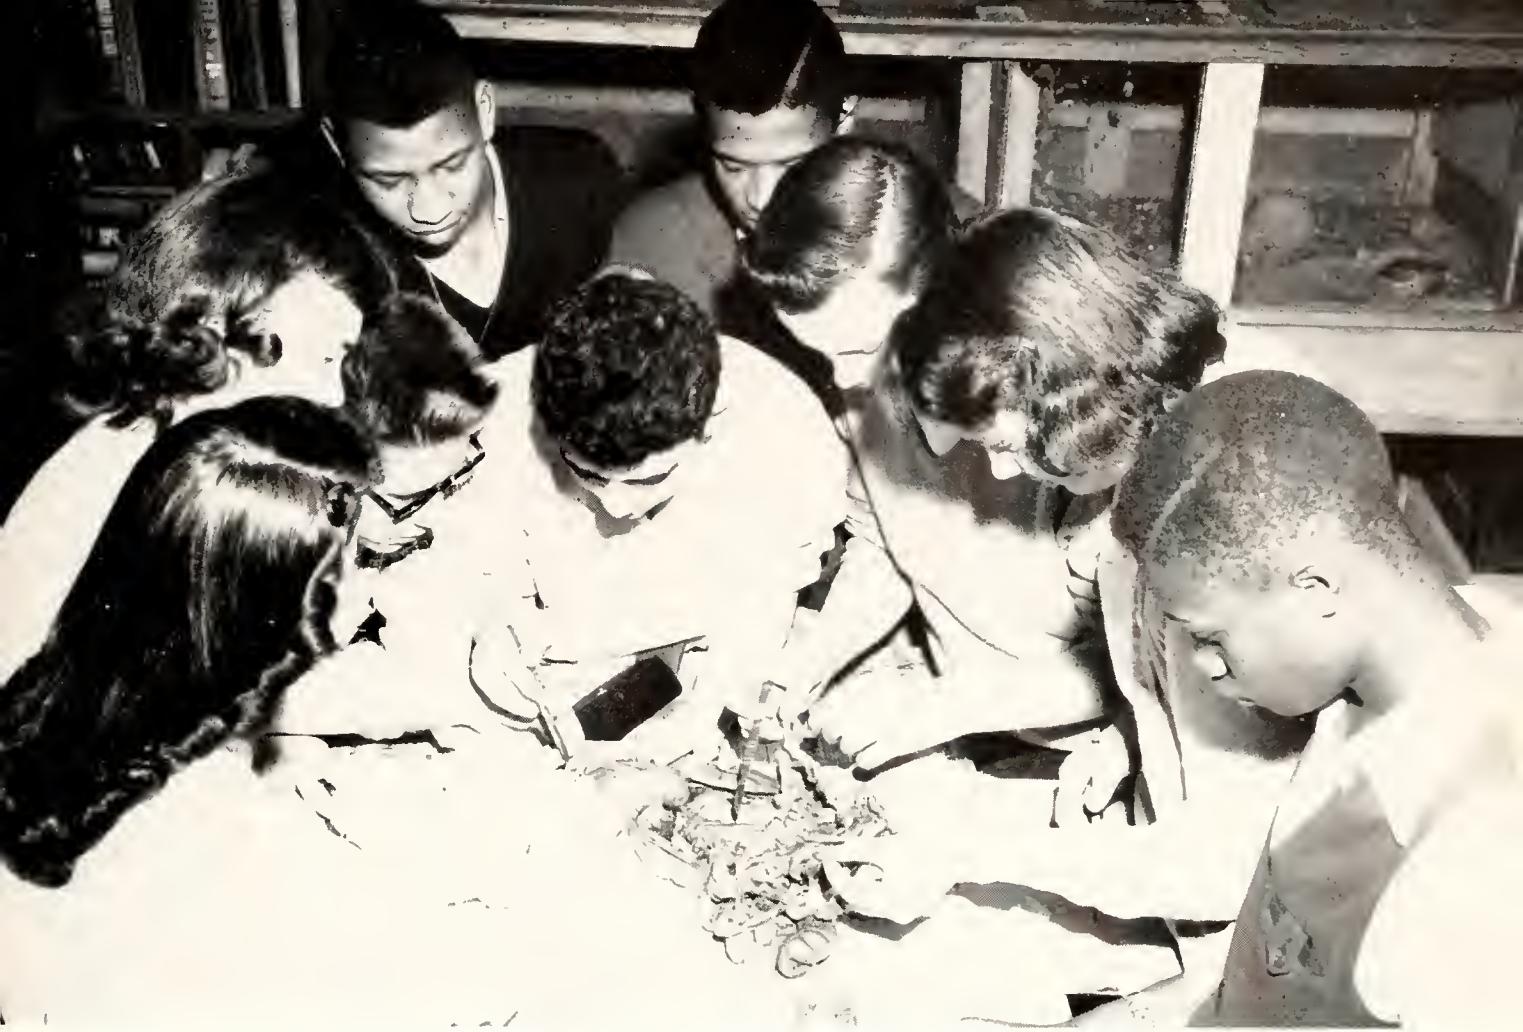

Faster 'n faster—the girls are learning to type business letters with real efficiency and speed.

"The way to a man's heart is through his stomach." These girls are getting a head start in learning the art of cooking and preparing yummy meals.

Is this the way our jazzy pep band practices its numbers? Looks like fun!

Anyone for rabbit stew? I don't think that's what is in the minds of these kids, though, as they dissect a rabbit in Biology class.

In auto shop our boys learn just how modern cars tick. Richard Pietraszewski is draining the radiator of this "buggy."

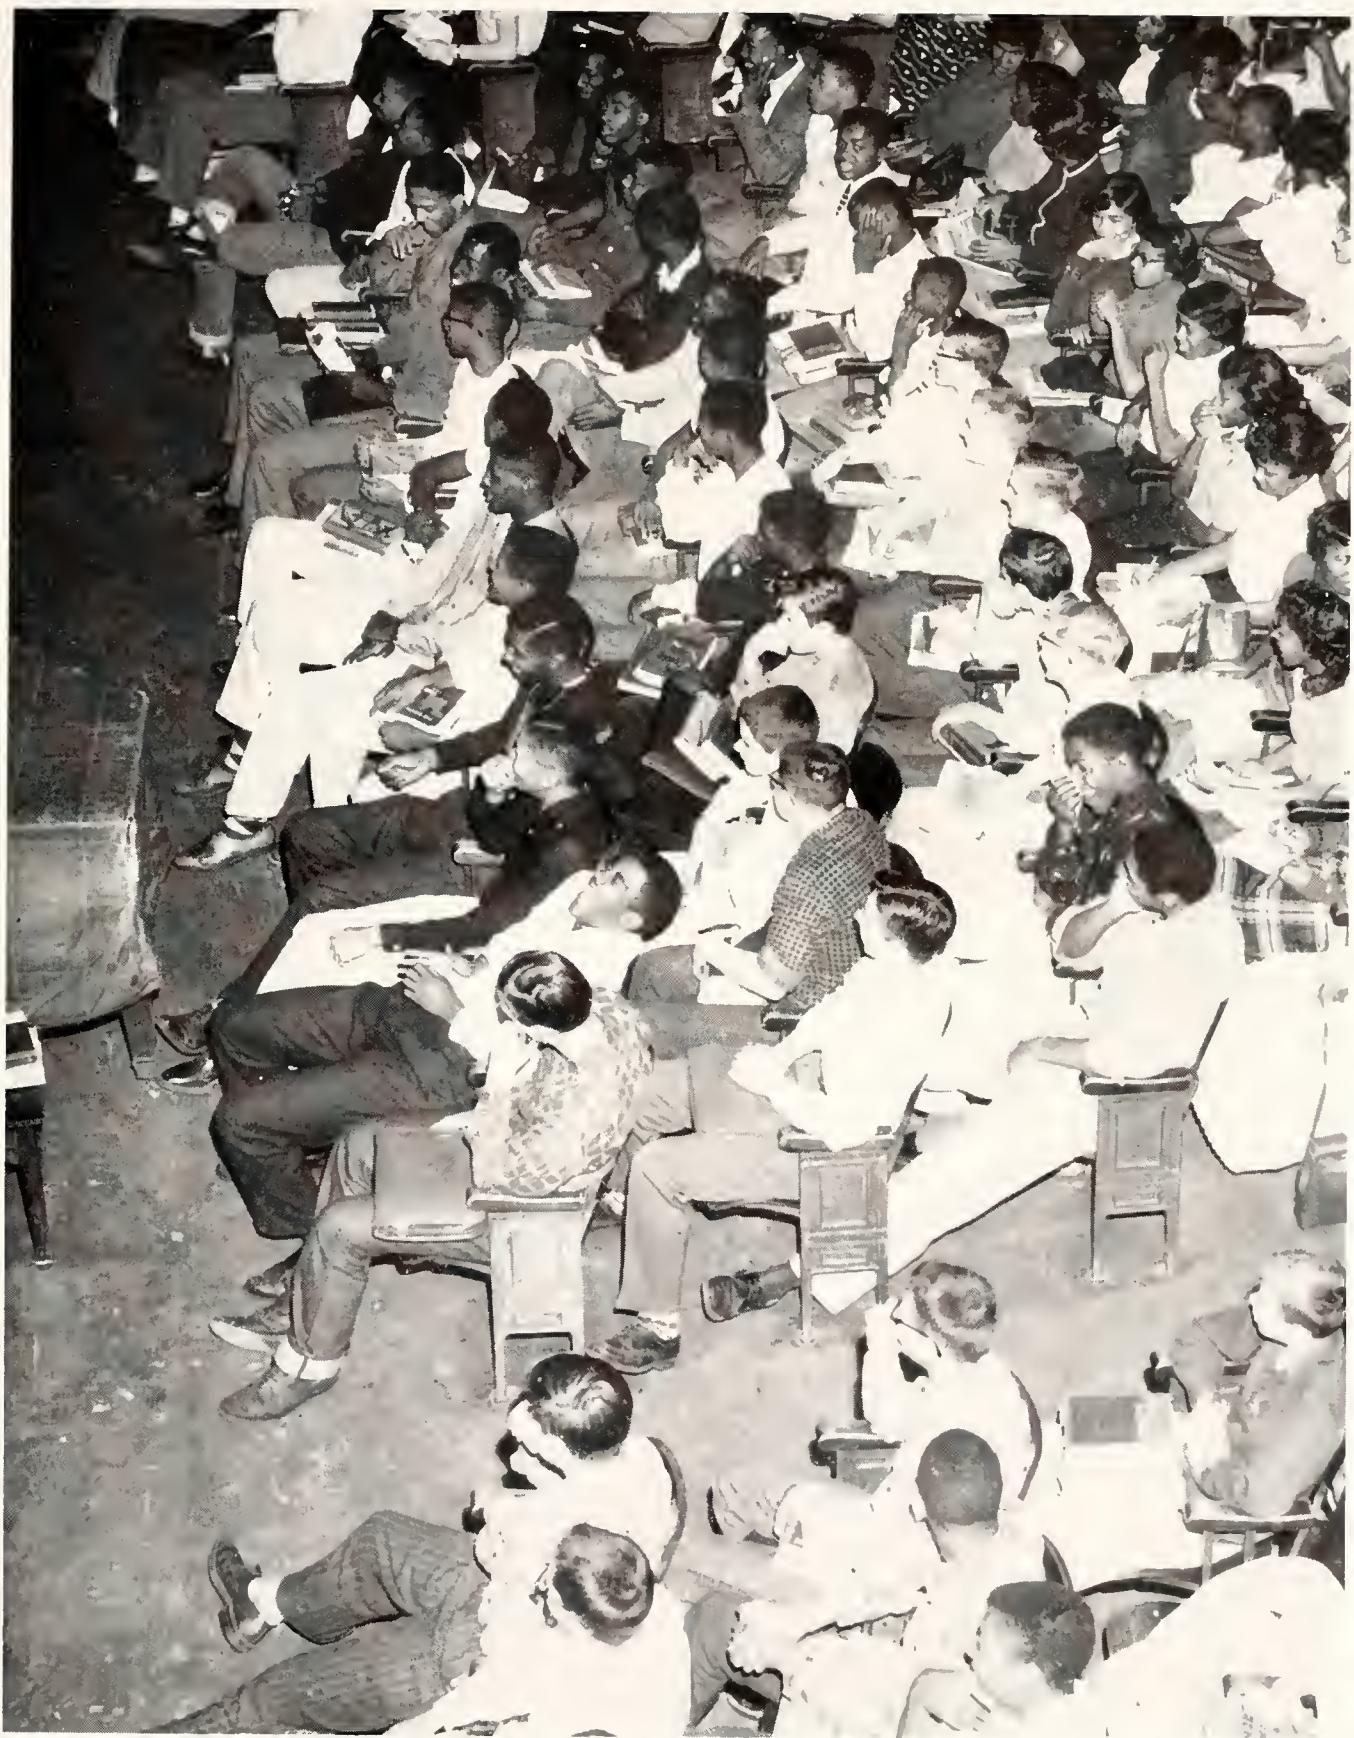

"Now *this* is what we call a car!" Mr. Powers might be telling his students the first time out. Richard Bass, Janet Schurfeld, Susan Schmidt, Betty Dell, Mr. Powers, Pat Cunningham, Barbara Konindiewicz, and Harry Jozwick are going over the car in order to drive it better later.

Take good care of yourselves, you belong to us! We learn fundamentals of health right here in school.

Understanding today's social relationships begins in Mr. Schultz's classes.

We all benefit from our well organized assemblies. The variety of them pleases all of Central's student body. We give a big hand to the participants.

In Cafeteria we stand like birds in the wilderness — waiting to be fed.

Oh, how time flies! It all can't be said in those five minutes between classes.

The kids are taking a chance on one of our unpredictable fountains to quench their thirst.

Our orchestra really has what it takes to rate amongst the fill the bill anytime. Mr. Singleton leads his players through the staffs.

"Just give us music, music, 'round the clock." Our band can fill the bill anytime. Mr. Singleton leads his players through light classical music as well as modern jazz.

## The Interlude Yearbook and Newspaper

The Editor-in-Chief of our yearly publication, Cecile Hoffman, is sizing up one of the many pictures.

The entire yearbook staff has gathered from many corners of our Central world to have their pictures taken for the records. They've all really worked hard.

The Salt and Pepper Shake was the first big event for the Sophs this fall. It really was great, too.

The Lettermen have started sponsoring matinee dances for all the kids after school. Tom Gore and his Redtoppers played for them and we all really enjoyed the new addition to school activities.

The Latin Club had a good old fashioned American picnic early this fall and really had a ball. Wonder if we'll spend all our classes this way sometime?

The French and German Clubs, combined, had a picnic too. Maybe the foreign customs appeal to us more than staying indoors. It was loads of fun, though. Dick Holdeman and Miss Gienand, sponsor, helped liven up the party.

One of the many sports dances that kept us all busy during weekends and holidays is in progress here.

# THE BARNSTORMERS

Barnstormers has much to offer to anyone who has a genuine interest in drama and the details of putting a play on the boards. The experiences and associations we gain are numerous. Responsibility, appearing before the public in a production, and the first taste of stage fright are among the few opportunities we are offered by the Barnstormers.

The repartee flies thick and fast between the rivals for the hand of the maiden. Bluntschli (John Coble) tells Raina (Debbie Boughner) and Sergius (Dwight Oberholtzer) of his escape from the enemy.

SINDBAD '56, a modern revue based on the *Tales of The Arabian Nights*, was the annual Senior Play. The Barnstormers and Glee Club were also partners in the production. Here is the Hospital scene. The patients think they have Yellow Fever. Donalee Dorhaver and Nancy Opelt are hovering over Sindbad, Pete Boykins.

The Phantom Ship scene with Sally Eeklund as the Captain and John Carey, Richard Otański, Tim Zekrocke as pirates, had us all wondering what was going to happen to Sindbad next.

# FOOTBALL

Members of Coach Bob Jones' 1955 Bears, who won 5, lost 4, are: Top row: Lowery, Parker, Holmes, Drajer, Stachowiak, Zarembka, Stokes, Rozek, J. Winston, and Ingram. 3rd row: Assistant Catch Mackowiak, Head Coach Bob Jones, Squier, Gillette, Beissel, Krulewitch, Million, Ross, Vohs, Redding, R. Rems, Fill, Assistant Coach Szucs, and Coach Stephenson. 2nd row: Jastremski, Knox, Young, Borges, Nailon, Reed, Capt Strozevski, Janowczyk, A. Simmons, D. Rems, Curtis, McKnight, and W. Winston. Bottom row: Williams, Otolski, Szucs, Leonard Foster, Lionel Foster, Martin, Brown, Greer, Byers, Sacchini, and Chandler.

Coach Bob Jones' 1955 Bears, playing unpredictable football throughout a listless season, concluded their campaign with an average 5-4 slate.

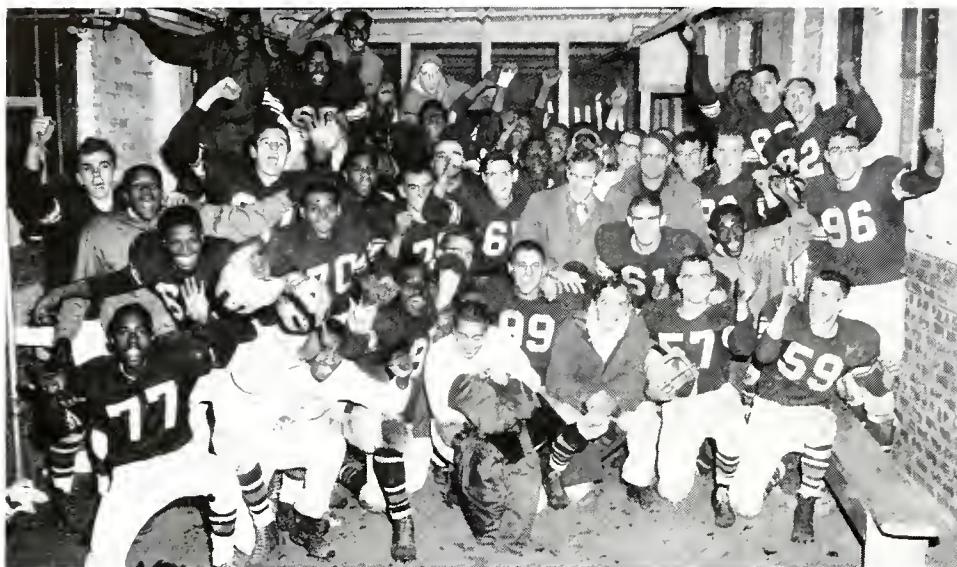

The Bears, rated as a powerhouse in preseason polls, employed a stout defense but were hurt by the lack of any substained offensive production. The defense, led by six seniors — tackles Dale Rems and Ed Nailon, guard Ed Krulewitch, linebacker John Beissel, halfback Ron Janowczyk, and safetyman Tom Borges; three juniors, end Lee McKnight, center Guy Curtis, and halfback Lee Reed; and two sophomores, end Mike Sacchini and linebacker Melvin Ross — proved unmovable.

The offense, failing to click according to the pre-season forecast, redeemed itself in the season finals, trouncing city rivals Adams, 23-12. Ends McKnight and Dick Szymczak, tackles Rems and Nailon, guards Krulewitch and Bob Million, center Curtis, quarter-

back and Capt. Gene Strozevski, halfback Janowczyk and Tom Redding, and fullback John Beissel comprised the starting offensive lineup.

Using their standard pattern, a rock-like defense and punchless offense, the Bears had enough steam in their first two ball games to squeeze by Gary Roosevelt and LaPorte by the identical score of 6-0. Then they fell into a slump which saw Coach Bob Jones' men only muster thirteen points in their next three encounters, falling victim to Conference opponents Riley 0-6, Washington 7-13, and Fort Wayne Northside 6-9.

Finally they showed signs of living up to advance predictions, and finished their season in a blaze of power, beating Mishawaka 18-0, Goshen 18-0, and Adams, losing only to a tough Hammond Noll crew 0-6, in a game that could easily have gone either way.

"We knew we could do it and we did." Jubilant elation is written all over the face of our football team as they celebrate in the locker room after their victory over Adams.

*Surveying the action in the Washington game are Redding (61), Janowczyk (61), A. Simmons (89), and Curtis (97).*

*Trapping a Hammond Noll ballplayer are Bears Sacchini (86), Nailon (95), Ross (70), Krulewitch (99), and Curtis (97).*

*Leading the Bears for 1955 grid season was Captain Gene Strozeuski. Gene, used as an offensive quarterback, was the team's leader and provided the spark needed by the squad.*

*Principal R. T. Ferrel hands Dale Rems the Kiwanis Award given to the player who has best combined scholastic and athletics abilities.*

*Athletic Director Ross Stephenson awards to John Beissel the Gold Award presented to the most valuable player.*

Members of Coach Lew Newbold's unbeaten freshmen team, ENIHS conference champs and owners of a 7-0 record were:

Top row: DuPoire, Ross, Dalka, Green, Barnes, Taghon, Anderson, Ellis, Coley, and Wilson. 3rd row: Coach Neichold, Mattheis, Patton, Love, Shurn, Wyllie, Smiley, Jenczeuski, Benson, Parker, and Powner. Second row: Mgr. Wallace, unidentified, Jerzak, Bougard, Friedline, Atherton, Elias, Catron, Aughinbaugh, Wisniewski, and Hubler. Bottom row: Locksmondy, Temple, Kuminski, Murphy, Vaszaru, Johnson, Kritsouski, and Grezegorek.

Co-champions of the City and Western Division Champs. Coach Jim Early's Jr. High Cubs compiled 6-0-1 record.

Top row: Lewis, Powell, Sears, Wesson, West, Wesley, Martin, Chambliss, Secrist, and Johnson. 3rd row: Morris, Mgr., Neeson, Dudd, Greene, Jones, Nicholson, Hawkins, Chambliss, and Coach Jim Early. 2nd row: Rowan, Brittain, Grall, Green, Brown, Poynter, Harrier, Lane, and Mgr. Zeltner. Bottom row: B. Brown, Borders, Rouse, Blume, Nagy, Lark, Lester, and Lee.

# BASKETBALL

*Our coaching staff, known for their outstanding teams throughout the state, are Head Coach Elmer McCall and Asst. Coach Bob Turnock.*

Playing one of the toughest schedules in the state, Coach Elmer McCall's 1956 Bears rolled to a highly respectable 17-8 slate, good for a second place ranking in the ENIHSC.

Playing in streaks, the Bears opened the campaign by losing to Gary Roosevelt, 47-46, squeezing by Hammond, 64-61, and falling to Logansport, 59-57, before embarking on a streak which saw them win eleven games over several formidable foes while losing only twice, both times to Lafayette Jeff. But the cold streak came as the Bears lost to Anderson, Mishawaka, and Fort Wayne North Side, depriving them of a chance to share or own the ENIHSC crown with Elkhart, whom they beat 77-62 in the season finale for a 13-7 season record. In tournament play the McCallmen advanced to the finals of the regionals, where they met their match in the form of Elkhart, 59-53. The loss set their over-all season and tournament mark at 17 won — 8 lost.

By tournament time, Mr. McCall had settled on John and Sylvester Coalman at forward, Dale Rems at center, and Lee McKnight and Herb Lee at guard for his starting lineup. Dick Holdeman, Joe King, and Jesse Bush, seniors, all saw considerable reserve action.

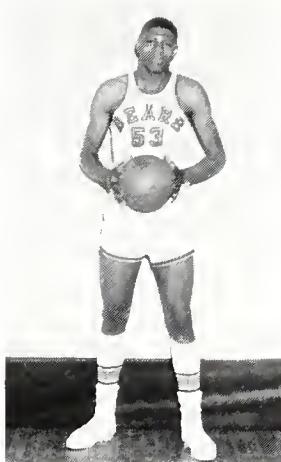

Whipping Washington, 66-64, in the finals of the 1956 St. Joseph County Sectionals, Coach Elmer McCall's Sectional Champs reached the finals of the regionals before bowing to Elkhart, 59-53. Members are:

Top row: Mgr. Dick Meller, Denny Bishop, LaMar Gemberling, Dick Holdeman, Mohler Hobbs, and Mgr. Dick Jones. Middle row: Mike Sacchini, Joe Winston, Joe King, Jesse Bush, and Dale Rems. Bottom row: John Coalman, Lee McKnight, Sylvester Coalman, and Herb Lee. Seated: Mgr. Wayne Baker.

# FACULTY

MR. RUPERT T. FERRELL, our Principal, is in his second year at Central. He began his career by teaching physical education and coaching at Orleans, Indiana. Mr. Ferrell was Assistant Director of the Athletic office in South Bend, and Principal of Jefferson Jr. High. Mr. Ferrell said the biggest thrill in his teaching career was when he was appointed Principal of Central High School. While serving thirty-two months in the navy, he was appointed Lieutenant. During these thirty-two months he visited such places as England, France, and Germany. His unit also participated in the invasion of Normandy. The first Naval R.O.T.C. was started by Mr. Ferrell at Ohio State. While relaxing, Mr. Ferrell enjoys golf and fishing. He is married and has two boys: Richard, twelve, and John, eight.

MR. RICHARD, our Assistant Principal, enjoys all sports, painting, and working around the house. He received his Master's degree from Indiana University.

MR. HARTER, our Head Counselor, enjoys all sports and photography. Skiing is his especial favorite. From the University of Notre Dame Mr. Harter received his M.A. degree.

MR. BARNBROOK, our Junior High Principal, has traveled to every state of the Union, seven provinces of Canada and two states in Mexico. He received his Master's at Indiana University.

MISS CALISTA STEPHENSON, one of our beloved English teachers at Central, died suddenly November 18. Miss Stephenson, who had taught at Central for so many years, seemed as much a part of Central as our school spirit.

# As Seniors, We Achieve

To the seniors goes the responsibility of being leaders. We captain the athletic teams; we head Boosters, Student Council, and publications. But, we learn, with responsibility comes the sense of achievement, the reward of labor well done.

## Senior B Officers

The Senior officers were often called upon during their final year—heading committees, and making decisions affecting the whole class. At one of the informal meetings are Dan Millar, Social Chairman; Jack Coppens, President; Bob Lyons, Vice-President; and Elaine Makris, Secretary-Treasurer.

A THANK YOU FROM YOUR REUNION COMMITTEE

The Reunion may be over, but the magic persists.

What a Great Weekend! What a Great Class! It's always a marvel how easily each of us is able to step back slightly and renew these extraordinary and very special relationships that we developed so long ago.

Without much doubt, the Reunion was highly successful, and the most fun and finest affair of this kind that we have had to date. Time passed much too quickly.

In reality though, the Committee would like to place the thanks where they rightfully belong, with each of you. Without your wonderful encouragement and support in this endeavor, no Reunion would be possible. You make things happen with your enthusiasm and good spirit. You're certainly wonderful people, and this Committee is proud to serve the Class of '56. You make our tasks so much easier.

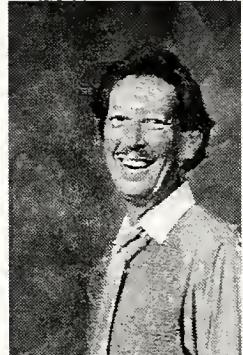

Again, thank you.

## *New Friends and Old Friends*

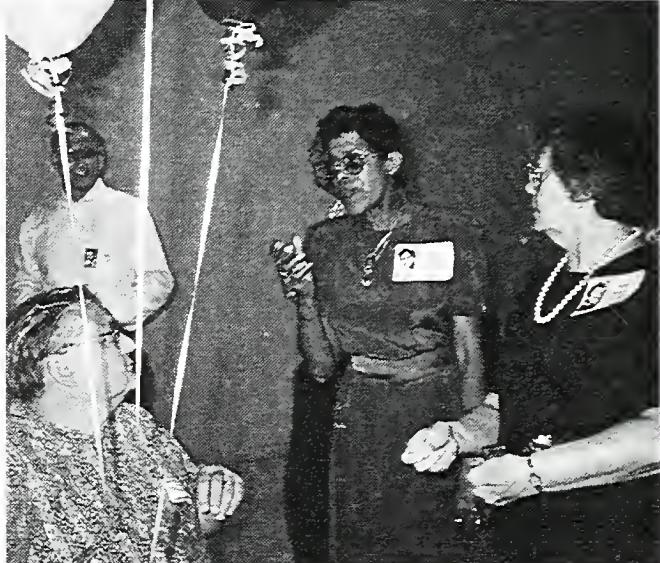

*Make new friends, but keep the old;  
Those are silver, these are gold.  
New-made friendships, like new wine,  
Age will mellow and refine.  
Friendships that have stood the test –  
Time and change – are surely best;  
Brow may wrinkle, hair grow gray;  
Friendship never knows decay.  
For 'mid old friends, tried and true,  
Once more we reach and youth renew.  
But old friends, alas! may die;  
New friends must their place supply;  
Cherish friendships in your breast –  
New is good, but old is best;  
Make new friends, but keep the old;  
Those are silver, these are gold.*

To become a member of the National Honor Society, a student must maintain an average of ninety-one percent or above during the four years of high school.

The fifty-eight people whose names are listed on this page accomplished this difficult feat. To do so they had to sacrifice other interests and desires. They never lost sight of the fact that the prime purpose of going to school is to get an education.

We honor them and rejoice in their achievement.

## Senior A Officers

The Senior A officers, Bob Jones, Vice-President; Jane Goff, Secretary-Treasurer; and Dick Ugoretz, President, are out on a snowy walk before getting back to business at hand.

The Junior Class officers bumped into each other at the snack bar during a half-time at one of our games. Margie Boyer, Treasurer; Dwight Oberholtzer, President; Shirley Bill, Secretary; and Jim Grillo, Vice-President, lead their class excellently through another merry year.

## As Juniors, We Look Ahead

Yes, we look ahead to the time when we will be full-fledged seniors, when ours will be the reward for years of preparation.

Shirley Bill, James Grillo and the prince and princess' court for the wonderful Junior Prom, "Moments to Remember." Back row: Denny Bishop, John Holdeman, Jim Grillo, Shirley Bill, Melvin Priest, Mike Sacchini. Front: Mary Campbell, J. Burkhardt, Shari Busse, Marge Boyer, Marilyn Dunlap, J. Burkhardt.

Climbing the steps to achievement, the Sophomore officers discuss class plans. They are: Marilyn Krueger, Secretary; Charlene Peretti, Vice-President; Mike Sacchini, President; and Dennis Bishop, Treasurer.

## As Sophomores, We plan

We had fun at the Salt and Pepper Shake this fall — We're feeling more as if we belonged here at Central, and getting that man-of-the-world gleam in our eyes. We are working like dogs on committees, but loving it all the time — just think, next year we'll be upperclassmen!

The Sophomore Bake Sale at the Farm Market helped earn money for our activities. The saleswomen here (facing the camera) are Connie Wiltrot, Myrna McClelland, and Susan Steiniger.

The early birds line up for tickets to the conference tournament. Seniors at 7:15 a. m., Juniors at 7:30, Sophs at 7:45, and Frosh at 8:00 — all wait their turn for those precious pasteboards.

The Freshman class officers are on the first step of the ladder of class direction. This year they weren't taxed for too much of their time. Getting used to Central's activities are Jim Love, Treasurer; Don Doderberg, Vice-President; Sue Johns, President; Carol Ball, Secretary.

## As Freshmen, We Get Acquainted

Yes, Central is a big school, a whole new world to learn and understand. Our freshman year is pretty largely devoted to "learning the ropes"; but, once that is done, we are ready and eager to move forward.

See how fast time flies! The year's activities have passed before our eyes telling their story in pictures and words. For the seniors, this last page represents their last glimpse of Central's many activities and of the fabled old clock in the lower hall.

Here at Central we have learned that the building up of our character takes much patience, perseverance. We thank our faculty, who have tried with loving hands to prepare us for the long road of life ahead.

To the juniors, who will succeed us, we extend our best wishes for a happy and profitable senior year. Theirs will be the task of serving as leaders and of upholding the finest of Central traditions. Ours is a proud old school; let's keep it that way. To the sophomores, freshmen, Junior High — in short, to all the generations of classes that will come after us, we can leave no better advice than our school motto: "I will keep faith."

Our dear old friend, the clock, tells us it's time to go for the last time. To her and to Central we say, "So long. It's been grand knowing you!"
